

SAT TIPS & TRICKS

GENERAL SAT:

- Answer all questions –you do not lose points for incorrect answers.
- Use process of elimination for multiple choice questions.
- Answer the questions that you know first, then go back to answer the more difficult questions.
- Remain positive and do not panic!
- Utilize the Education USA library for free SAT practice books!

SAT READING:

- Always read the introductory blurb –it provides you with valuable information!
- Underline the author's main idea while you are reading.
- Keep track of timing; never spend too much time on one passage.

SAT MATH:

- Before completing practice problems, go over the math topics on the exam and make sure you understand each topic.
- Don't know how to directly solve a problem? Try substituting each answer choice in.

SAT WRITING:

- Memorize the grammar rules tested on the SAT.
- If two answers are both grammatically correct, choose the more concise one.
- The "No Change" answer will only be correct 25% of the time – double check these questions at the end.
